Statement for Public Inspection

Board policy BDF (Local)

“The Board shall establish a local school health advisory council to assist the District in ensuring that local community values are reflected in the District’s health education instruction. The Board shall appoint members to the council, a majority of which must be parents of students enrolled in the District and who are not employed by the District. The Board may also appoint one or more teachers, administrators, or health-care professionals...”

The following parents/healthcare professionals and staff members have agreed to serve on the 2008 School Health Advisory Committee. Board appointment is required for this committee which will meet October 21, 2008 at 6:00 p.m. in the Administration Board Room. This committee will serve in an advisory capacity to the district administration concerning matters related to student health, fitness, and nutrition.

Minutes of the Annual Meeting of the School Health Advisory Council

The School Health Advisory Council last met in 2006. This year the council met on October 21, 2008 in the Boardroom of the District Administration at 6:00. Discussion centered on the role of the Council and review of the local School Health and Wellness Plan (2005-2010).

Chad Smith, Principal, Cullender Kindergarten, acts in an advisement capacity. His role in the health issues for students is to coordinate the FitnessGram, state assessment of the physical fitness of students in grades 3-12. Chad provided a portion of the Review of the Purpose of the SHAC.

District Policies which address engagement in physical activity, compliance with nutrition laws, and penalties for tobacco use follow:

BDF (Legal)
FFA (Local)
FNCD (Legal)

These were provided for the Council members and are available on the district website under the Administration button (click in the white box) and then under the Policy button on the left side row of items (click on the box).
